

PRESTIGE RE-LOCATION

A packers and movers company

Our Profile...

About us

Prestige Re-location is a Packers and Movers company follow the 3R's as their motto; which is "Revolutionary Relocation... Rephrased." This gives you the brief idea of the whole company objective and also states the fact that for us customer's needs and requirements are of utmost importance and they definitely have to be satisfied with our services. We are the packers and movers company that provides services for relocation of all kinds...be it domestic relocation, corporate or vehicle transportation...we do it all! We make sure that the articles are transported without any damage and the goods reach the final destinations on time and in good conditions too. We have a large fleet of vehicles, with which you can connect to any town and city. Anywhere from Delhi, Gurgaon, Mumbai, Bangalore, Chennai, Pune, Hyderabad, Kolkata or Chandigarh etc.

Prestige have professional and licensed packers that are ready to do it all for you. Having skilled packers do the packing makes the whole process move a lot faster, easier and convenient. We allows you to channelize your energy and precious time to attend to all other matters of your move. We manage all kinds of relocation with strict standards of quality and care to meet the needs of each client. Our experience in managing household goods' relocations has created a huge patron list and we have created a niche in the packing and moving industry. We offer customized packing and moving solutions all over India and we strive to make your relocation process as smooth as possible; and we are proud to say that we try to vouch on our words.

We make sure that the goods are safely packed in customized cartons. For example to prevent glass items from chipping we have glass tube packing; similarly delicate items like crockery and other valuables are packed using bubble packing material to prevent it from any transit mishaps. These packers and movers are experts in their job and they know how to handle each prized possession with utmost care. Boxes are well numbered and listed so that it is easier to locate the content of each box and some order can be used at the time of packing and unpacking of the materials. But just in case any mishaps do occur accidentally, this company provides the best packing and moving services, by providing transit and comprehensive insurance to settle the matters. So you can be rest assured with your goods; once they have been loaded in Prestige Packers and Movers trucks.

WE CAN TAKE YOU ANYWHERE...SAFELY!!

Services

Prestige Re-location provides the services at its best, we use quality packing materials as well as container to move your goods, ofcourse if you have faith on us so also we should and must be responsible to move you safely. Our strength is our experienced staff, best services, quality and wide network, thats why we have number of satisfied clients throughout the country.

Our Network

Prestige Packing and Moving services can take you anywhere from Delhi, to Bangalore to Mumbai, Pune, Chandigarh and Hyderabad etc.. You name it and we take you there. We have developed a wide network spread across the country, to transport the goods easily to any city or village in India.

This network that we have created is so strong and it is there to ensure a smooth relocation of goods. Therefore we've often heard our clients saying that Prestige Packers and Movers are the "best packing and moving service providers". We want to see smiles on the faces of people; therefore we have relocated innumerable number of people to various locations, and also shifted a large number of offices, and factories.

Our packing and moving company has had such a strong network that it has helped us to provide the best services, and has also helped us to do our jobs to the optimum. It is due to this reason that we are trying to go global in the very near future.
